# THE DURABILITY OF MARBLE SIMULATION

Infinity slab tiles are large-format porcelain tiles that create a seamless, continuous surface when installed. They are called "infinity" because of their size, which can range from 5 feet by 10 feet or even larger, allowing for expansive installations without the need for grout lines or breaks in the pattern. Infinity slab tiles are popular in contemporary and modern interior design, where they are used for large-scale installations such as bathroom walls and floors, and even as cladding for building exteriors.

## APPLICATION

Commercial Building

Hotel Restaurant

School College

Hall & Corridor

Mall & Super Market

Religious Place

Residential

Hospital

Airport

Gymnasium

Industry

Spa

Bending Strength

High Temp Resistance

Scratch Resistant

Chem. & Stain Resistant

Easy to Clean & Maintain

Impact Resistant

resistance to ice & frost

Unalterable to UV's

Waterproof

Hygienic

## FEATURES

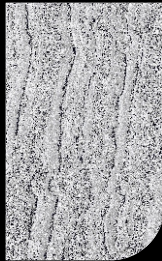

The pride of your space when it comes to giving a touch of grandeur to a space. We have multiple applications for indoor & outdoor spaces. Our exceptional surface are widely used to adorn the walls & embellish the floor of your spaces.
